HARRY DUKE, ODDS ON, FINISHED THIRD,

Kindred, a Ten-to-One Shot, and Hi-Noc-Ker Easily Beat Cella's Sprinter.

FOUR FAVORITES IN FRONT.

Despite the Unfavorable Condition of the Track, the Form Players Had Much the Best of the Argument.

Four favorites,a well-played second choice and an outsider carried off the purses at the Fair Grounds yesterday. Not such had picking for betters, when the conditions they had to cope with are taken into considera-

The slop and slush of Tuesday had disappeared. In its place was a sticky, heavy and holding mud. The track was fitted only for big, strong-limbed animals. Notwithstanding the fact that the conditions were entirely reversed in the two days, the bookies had decidedly the worst of the argument in every event, as Kindred, while a 10 to 1 shot, was really the third choice and was well played by the sharpshooters.

The defeat of the favorite, Harry Duke, in the first race, did not benefit the chalk-ers any, as he was such a prohibitive oddsen choice that few cared to take a chance on him. It was the lightest beiting event of the day. It booked like a ready-made race for Cella's sprinter and he was held at 2 to 5 and 1 to 3. Hi-Nor-Ker, the second choice, was opened at 5 to 2, but he had few supporters and he recoded to 7 to 2 before post time. Only the pikers would have any of the race and they went to Kindred at 8 and 10 to 1. A good start found Harry Duka in the lead with Terralens second and Kindred third. Duke remained in the van to the stretch, when Kindred came with a rush

the stretch, when kindred came with a rusa from second place and passed the judges an easy winner. Talley hustled fill-Noc-Ker along at the end and managed to nab second money from the favorite.

As is usual when the track is bad, the finishes in the majority of the races were on the processional order. The feature event of the day was the Owners' Handicap, at a mile and twenty varies the fourth race of a mile and twenty yards, the fourth race on the card. Five started. It produced an ex-cellent betting affair. Molo and Libbia were equal choices at the outset. The lat-ter receded to 11 to 5 at pest time, but Molo stood pat. A heavy plungs on Apple Jack sent his price down from 5 to 1 to 4 to 1. Lord Nevtile also had plenty of supporters

Joekey Dominick Piloted Three Winners Yesterday.

Wallie Kliey, the California jockey, de-parted last night for the Washington Park meeting, which closes Saturday. He is un-der contract to the owner of Great Bend and will ride that horse in the Wheeler Handicap next Saturday.

Pat Tominson stated yesterday that he has disposed of The Conqueror. He re-fuses to divulge the nameo f the pur-chaser, but states that he received \$3,50 for chaser, but states that he received \$2.50 for the colt. Then the pipe went out. The Conqueror was raied as one of the best 3-year-olds in the West last spring. He was a big disappointment. Local raceboors are acquainted with his ability to quit. Last year Tomlinson was offered \$7.00 for his colt.

Sidney Lucas, owned by Thompson Bros., won a \$2.50 purse at Washington Park Saturday, and in the betting ring was backed to an extent that neited close to \$10.000. And these same Thompsons borrowed the money to ship the colt to Cascago before he started in the Derby. Where they had not a cent to back him three weeks ago they played thousands of dollars Saturday.

Now that Dominick has returned to the addie, there is little chance to oust him out of his place at the head of the list of winning jockeys. The diminutive knight of the pigskin landed three winners yesterday.

Tough luck is pursuing Albert Simons and his stable at Washington Park Simons recently purchased Fly by Night from Barney Schreiber. He started the golding in Saturay's Turf Congress Stakes, with Potente as a stable entry. The latter was cut down during the run up the back stretch by Pink Coat, with Overton in the saddle,

THE LADY WOS ON A FOUL. John A. Morris Disqualified in Fourth Race at Washington Park.

Chicago, Juiy Is.—John A. Morris finished first in the fourth race to-day at Washington Park by a good length, but was disqualified and placed last for an alleged foul, claimed by Jockey Ross, who rode Gold Fox. The judges gave the race to The Lady. In the \$1,000 handleap, the feature of the day, Silverdale got off in front and seemed to have all the best of the race. At the stretch turn there was much bumping and Vicellius and Kid Cox, who were way back, were allowed to get through, and both came tast in the stretch. The Morris colt lasted long enough to beat Kid Cox by half

while the weight on Bly by Night, 125 pounds, was sufficient to cause that runner to pull up lame. Both horses will be unable to race again for some time.

An effort is being made to arrange a 2-year-old sweepstakes to be run at Hawtherne Saturday, July 28. The club has offered \$2.00 for a roce at five and one-half for seemed, Saturday, July 28. The elimination of these fast trotters made it look anybody's race. The time was not proportionately fast, the track being somewhat heavy after the rains.

Twelve thousand people saw to-day's events. Eight thousand occupied the scats and alades of the grand stand. The others sived in the beiting spaces and filled the lawn and quarter-stretch space. Approximately these is estimpted to have gone into the betting pools.

Intil yesterday Lady Geraldine was owned by Colonel Isaac is. Goff of Providence, R. I. To-day it was announced that he had sold her, but the buyer and the consideration were not divided. The new owner placed the bay mare in the hands of Ed Geers, the veteran afriver, and Geers drove her to the winning, thereby getting both first and third moneys, amounting to upward of \$6.000.

In the first heat Geers tried to drive out of the bunch in the stretch, but Geraldine broke at the critical place and Battle Sign finished two lengths ahead of Axtello, Lady Geraldine made a sensational winning of the second heat, rushing past Axtello, who was second after Battle Sign's accident. Annie Burns got her nose in front for the first time during the third heat, after a brush with Red Arthur. Geers tried another of his spuris in the stretch, but theraldine broke just as she was passing fied arthur and Burns, and the latter was the heat.

Annie Burns also captured the fourth heat, closely chased in by Geraldine. The gray

Annie Burns also captured the fourth heat, closely chased in by Geraldine. The gray mare, however, cut up badly during the fitth, and Geers drove Geraldine in slowly, evidently to prevent a shutting out of Burns, who marrowly escaped it. The gray mare bruke badly in the strotch in the last heat, and the bay won easily in slow time. Lady Pipes, the favorite, won the 2:13 pace, and James B., an outsider, the 2:30 pace.

K. C. at Indianapole. Brooklyn, July 18.-For six innings to-day Boston looked all over a winner. Dinneen, who has been twirting in great form for the Beanenters, was on the rubber. He had the

s'ugging Superbas at his mercy up till this time. However, the Hanlonites went after him with a vengeance in their half of the sixth. Two doubles and as many doubtforbliding singles and a wild pitch netted the home team four runs. In the eighth inning, with the bases full,

Charley Parrell made a two-bagger, bring-ing in three runs. He scored a few minutes later, when Jerry Nops cut out a clean grasser. Nops twirled in good form. His support was excellent. The score:

he could not go East with the team, Ritchey, too, was ordered to remain at home. To make matters worse, Phillipi, the team's star pitcher, had to be taken from bed to the train. Manager Fred Clarke has a hadly strained shoulder. Even President Dreyfuss looked crestfallen as he climbed on the last car to-night.

"If we win six out of twelve games in the East we will be lucky," was all he said, it developed to-night that Fresident Dreyfuss refused point blank to have anything to do with envoys sent by "Rube" Waddell. The big fellow, having run the course, is now said to be willing to come in and play bull. Dreyfuss said to-day that Waddell must show that he had quit his feel-ishness before the Pittsburg team would consent to hold any intercourse with him.

BASEBALL GOSSIP. McGraw Leads the League in Butting, With an Average of .308.

Keeler of Brooklyn has failed to make a Joe Kelley thinks his hitting is lighter this year for the reason that more pitchers have mastered the slow ball.

Cincinnati seems bound to be St. Louis' hoodes. Almost every time Cincinnati has faced St. Louis it has been with the latter organization weakened by injuries to players, and the standing of theirnati has been heped materially by the manner in which they have feasted on St. Leuis's ill-luck.

St. Louis is a disappointment, of course, but there is reason for St. Louis's downfall, as so many of the men are crippled.—New York Evening Telegraph. President Ban Johnson of the American League has decided to call off all Sunday games in Detroit until adequate police pro-tection is assured.

Schreezengost is uphobling the good rec-ord of all St. Louis cast-offs. It was his hit that scored the winning run for Buffalo against Minneapolis on Monday.

Luring the last two weeks the pitchers of the League have had things all their own way. They have built up large records at the expense of the heavy litters, and in general disporting themselves as if they owned the earth and the fatness thereof. Not in years has there been such a cutdown of base-hit percentages. One, two and three hit games have been the order of the day, and the climax came when "Noodies" Hahn shut Philadelphia out with never a bingle.

The sudden mastery gained by the siabmen is one of the puzzling features of the season. Up to a couple of weeks back the batters were boosting the ball into the rhuberls with great frequency. La Jole, when he quit the game with a bad thumb, was hitting, 449. Wagner was peiting them out for 467 two weeks ago. Then, as if in harmonius concert, the pitchers began to close up shop and fool the batters. The process of fooling has gone on ever since. Even the winning clubs have had few base hits. The Chiergo team has won thirteen out of the last fifteen games, yet the total batting average of the team for those games is but .279.

It is rather doubtful if the batters will pick up courage. The pitchers now have the buige, and are apt to hold the margin they have gained. In that case, the hitting will be the lightest in years, and the lovers of hard hitting will be howling for the pitcher to be put back ten feet more.—Cincinnati Enquirer

I regard the outcome of Friday's contest as a good thing for the New York club and for the League interest generally, says Heary Chadwick, the journalistic voteran of the game. I think too, that the change in the management will result in needed improvement in the working of the team, as it was evident that the great essential of harmony in the team was wanting. Mr. Davis will new have an opportunity afforded him to show if he possesses managerial ability, and as he has the good will of a majority of the players to sustain him, and also that of the club president, it looks as if the turning point in the season's career of the Glants had been reached, and as if better results were in store in the pear future.
